HARBOURLIGHT CHURCH · DEMO FILE

Safeguarding policy and procedures

This is a sample file from the Resource Library demo. Harbourlight Church is fictional, so this isn't a real policy, but a real library would hold yours here.

1. Who this policy is for

Everyone who serves with children, young people or vulnerable adults on behalf of the church.

2. Safe practice

Two adults in every room. Doors with windows. Photos only with consent. Nobody alone with a child they aren't related to.

3. If you're worried

Write down what you saw or heard, in their words. Tell the safeguarding lead the same day. Don't investigate on your own.
